Education and Qualifications

January 2005 – Current **Assistant Professor of Medicine (Clinical),**

Brown Medical School,

Department of Medicine,

Division of Biology and Medicine

2019 to present

Honorary President

GERSED (Groupe d'Etude et de Recherche du syndrome d'Ehlers-Danlos), Belgium

International group for research in EDS and its associated conditions.

www.gersedbelgique.com (GERSED Belgique)

2019 to present

Medical Advisory Board, Dysautonomia Support Network

2015-2017

Chairman, Pain Working Group. The EDS (Ehlers Danlos Syndrome) Society International Symposium. This resulted in publication of new guidelines in the diagnosis and management for EDS(Hypermobility) for the first time in 2 decades.

2017-Current

Medical Advisory Board, EDS Wellenss. A non-profit organization to promote health education, public health initiatives, integrative healthcare, and wellness strategies for living well with Hypermobility Spectrum Disorders (HSD), such as Ehlers-Danlos syndromes (EDS) and their comorbid conditions.

2016-Current

Medical Advisory Board, Rare New England, organization established to provide support and awareness for rare and complex disorders.

2016 – Current

Editorial Board, Pain Physician journal. The official publication of the American Society of Interventional Pain Physicians. A peer reviewed, multi-disciplinary journal written by and directed to an audience of interventional pain physicians,

clinicians and basic scientists with an interest in interventional pain management and pain medicine. Impact Factor 3.542 (2015)

- July 2006 to June 2008** Masters in Health Care Management,
Harvard School of Public Health.
A masters program for physicians in Organizational behaviour, Operations Management, Public health Policy, Financial accounting, Competitive Strategy, Negotiations and conflict resolution, Provider payment systems.
- June 2012 - current** Member of Medical Advisory Board, The Coalition Against Paediatric Pain (TCAPP). A not for profit organization advocating for chronic pain in children and support for their families. At present member of the Medical Advisory Board since 2014.
- April 2005 – 2008** Consultant advisor to Social Security Administration Disability Determination services.
- November 2005-2010** Board of Directors of the American Board of Interventional Pain Physicians for Board Certification.
- October 2005-current** Member of the Rhode Island Medical Reserve Corp, Rhode Island-1 Disaster Medical Assistance Team. Responsible for responding to emergency efforts at the local, State and Federal levels.
- Aug. 2001-Current** Assistant Professor of Anesthesiology (Adjunct),
Boston University School of Medicine
- Director
Interventional Pain Management Center, RI
- November 2005-2010** Editorial Board for **Journal of Cancer Pain and Symptom Palliation.** ISSN: 1543-7671. The Haworth Press Inc.
- November 2005-2010** Editorial Board Reviewer for **Pain Physician.** ISSN: 1533-3159
Participate in the process of blinded peer-review of submitted manuscripts of original research, case reports and review articles to maintain the highest standards of scientific research.
- Aug. 2001-July 2006** Staff Anesthesiologist and Pain Management Specialist
Roger Williams Medical Center, Providence, RI
- Aug 2000 – July 2001** Fellowship in Pain Management
Beth Israel Deaconess Medical Center, Boston, MA
Harvard Medical School
- Aug 1997-July 2000** Anesthesiology and Critical Care

Beth Israel Deaconess Medical Center, Boston, MA
Harvard Medical School

- Aug 1996 – July 1997** Internship with rotations through Internal Medicine, Surgery, ICU, CCU
The Carney Hospital (now known as Caritas Carney Hospital), Boston, MA. Affiliated with Boston University.
- 1993 – 1996** Senior Resident (Anesthesiology)
- 1990-1992** **MD (Anesthesia and Critical Care)**
A 2-year postgraduate clinical training program in Anesthesiology and Critical Care.
J.N.Medical College, Aligarh, India.
- 1989-1990** **DA (Anesthesia)**
A 1 year post graduate clinical training program in Anesthesiology.
J.N.Medical College, Aligarh, India.
- 1988-1989** Emergency Medical Officer,
B.L. Kapur Memorial Hospital, New Delhi, India
- March 1986 – Oct. 1987** House Officer
Department of Surgery and Orthopedics
R.G.Kar Medical College, University of Calcutta.
- 1979-1986** **MBBS.** A 5 ½ -year degree program in Medicine including a 1 year internship.
R.G.Kar Medical College, University of Calcutta

Board Certification

Board Certified in **Anesthesiology** by the American Board of Anesthesiology 26 April 2002. (First attempt). Certificate number: 34681

Subspecialty Board Certification in **Pain Medicine** by the American Boards of Anesthesiology, September 2002 (First attempt). Certificate number: 34681

Board Certified by the **American Board of Independent Medical Examiners**, January 2005.

Honors and Awards

Lifetime Achievement by the Dysautonomia Support Network. The award is given to the health care provider who has spent a lifetime of distinguished service to the development

of their speciality, contributed significantly to the development of the field and has served above and beyond the requirements of their job.

2018 Honor awarded for contribution to CRPS community by CRPS Forum, an International non-profit organization for CRPS

Humanitarian Award, Dysautonomia Support Network. The award was created to recognize outstanding physicians who's practice of medicine and sense of altruism has made the world a better place. Someone who has dedicated to improving the quality of patients lives and inspired others to greater heights.

Trailblazer award, Dysautonomia Support Network. The award is give annually to the physician, from any speciality, who demonstrate creative initiative, identify new, creative solution to problems, embody strong work ethics, honesty and integrity, works collaboratively with others to achieve goals and establish long-term vision and strategy.

2015 Honoree for significant contributions to medical care, awareness and support for Complex Regional Pain Syndrome by the Reflex Sympathetic Dystrophy Association

The Schwartz Center Compassionate Caregiver Award 2013

<http://www.youtube.com/watch?v=SGGBzxeeSrA>

Each year since 1999, the Schwartz Center for Healthcare has honored one extraordinary healthcare provider with the Schwartz Compassionate Center Compassionate Caregiver Award. The award is one of the region's most prestigious Honors in healthcare The award recognizes those who embody characteristics of compassionate care, including:

- Communicating sensitively with patients and loved ones;
- Listening carefully, showing empathy and instilling hope;
- Respecting patients' values, culture, choices and decisions;
- Understanding the significance of patients' families and communities.

Nominated to the 2012 Arnold P. Gold Foundation Humanism in Medicine Award.

The award is administered through the Organization of Student Representatives (OSR) annually honours a medical school faculty who exemplifies the qualities of a caring and compassionate mentor in the teaching and advising of medical students. The nominee must also possess the desirable personal qualities necessary to the practice of patients-centered medicine by teaching ethics, empathy, and service by example. a testament to contribution to the educational programs and is chosen by peers and students.

Teaching Recognition Citation by the Warren Alpert Medical School of Brown University, 2011

The award is a testament to contribution to the educational programs and is chosen by peers and students.

Teaching Recognition Citation by the Warren Alpert Medical School of Brown University, 2008.

The award is a testament to contribution to the educational programs and is chosen by peers and students.

John Hedley-Whyte Prize in Critical Care Medicine, 2000. Beth Israel Deaconess Medical Center, Harvard Medical School

This award is presented every year to a resident who has rotated through the ICU who exemplifies superlative performance in the science, art and practice of multidisciplinary critical care medicine and demonstrates excellent interpersonal relationships, leadership and intellectual curiosity.

This award is given each year to a resident who demonstrates initiative, enthusiasm and compassion while caring for the parturient. The recipient will have impressed the faculty with his/her knowledge base and continual quest to further it. Also sought are leadership qualities and an ability to build bridges with other healthcare providers involved in the care of the pregnant woman and her unborn child.

The only resident in the history of Harvard Medical School to have been awarded both awards in the same year.

Certificate of Honors in Ophthalmology

Certificate of Honors for original research paper by a Resident presented at the XII Annual Conference of the Indian Society of Anesthetists, 1989

Television program feature telecast on WJAR-NBC10, November 13, 2005 as 'Choices'.

Voted by peers as one of the 2 top doctors in RI for Pain Management 2006, 2008, 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017, 2018, 2019 (RI Monthly Magazine)

Featured on WJAR TV-NBC 10, February 15, 2007 on Health check Report

Committee Appointments

- | | |
|----------------|--|
| 2016 | Medical Advisory Board, Rare New England (RNE). Not for profit organization to offer educational opportunities to improve patients with rare and complex diseases quality of life. |
| March 16, 2016 | Member of Brain storming committee on Ehlers Danlos Syndrome, Paris, France. |

January 2012 to Present	Medical Advisory Board, The Coalition Against Paediatric Pain (TCAPP)
January 2012 to 2013	Board Member, Reflex Sympathetic Dystrophy Association
August, 2005	Committee for promoting the NASPER (National All Schedules Prescription Electronic Reporting Act of 2005 H.R. 1132 and S.518). Helped develop and promote the passage of the bill. It was signed in to law on 11 August 2005. The law allows for monitoring of prescription drug abuse. www.nasper.org
March 2005	Faculty – A Comprehensive Advanced Interventional Cadaver Workshop, organized by the American Society of Interventional Pain Physicians, Medical Education and Research Institute, Memphis, TN. Teaching advanced fluoroscopically guided interventional techniques to other physicians from around the USA.
October 2004	Committee Member – Evidence Based Practice Guidelines for Interventional Techniques in the Management of Chronic Spinal Pain for the National Guidelines Clearing House, Agency for Healthcare Research and Quality (AHRQ) .
June 2004	Faculty – A Comprehensive Lumbar Interventional Cadaver Workshop, organized by the American Society of Interventional Pain Physicians, Medical Education and Research Institute, Memphis, TN. Teaching fluoroscopically guided interventional techniques to other physicians from around the USA.
September, 2003	Chairman, round table discussion on ‘Perioperative pain management techniques’ at The 9 th Annual Newport Anaesthesia Conference presented by Brown Medical School.
2003 to Present	President, American Society for Interventional Pain Physicians (ASIPP), Rhode Island branch
2002-2003	Pharmacy and Therapeutics Committee, Roger Williams Medical Center, RI.
2002-2004	Cancer Committee, Roger Williams Medical Center, RI.

Courses

Acupuncture certified course, Harvard Medical School,
Advanced Trauma Life Support
Advanced Certificate in Life Support
Certified in Percutaneous Electrothermal treatment of Discogenic pain therapy.

Professional Experience

Senior Resident (Anesthesiology), June 1993 to 1996

DDU Hospital, New Delhi.

This is the only major hospital serving the whole of west New Delhi.

Had independent responsibility for the management of surgical patients, both elective and emergency, and ICU. Have handled various types of trauma, General Surgery, Obstetrics and Gynecology, Ambulatory, and Neurosurgery cases independently.

Was also involved very actively in the training program in the hospital.

Casualty Medical Officer, July 1988 - July 1989

Dr.B.L.Kapur Memorial Hospital, New Delhi

Organisation and management of Casualty services and the ICCU.

Actively involved in the teaching program of the hospital.

Presentations and Lectures

- Neuropathic Pain, Neuro Connect Summit, Washington, DC. May 2019. The Neuro Connect Alliance is a meeting of The Dysautonomia Support Network, Ehlers Danlos Society, Bobby Jones Chiari and Syringomyelia Foundation and National Organization of Rare Diseases (NORD).
- Musculoskeletal pain in Ehlers Danlos Syndromes. May 2019. Project ECHO EDS program. A telemonitoring project with international participants. The ECHO program is a hub-and-spoke knowledge sharing networks, led by expert specialist teams.
- Connecting the dots in our understanding of Ehlers Danlos Syndrome, 2018 Ehlers-Danlos Society Global Learning Conference, Baltimore, MD.
- Pain Management in Connective Tissue Disorders with Special consideration of Neurological Manifestations, 3rd Annual CSF Disorder Symposium, Connective Tissue Syndromes and Manifestations of Cerebrospinal Fluid Disorders (CSF) of the Brain and Spine. Warren Alpert Medical School, Rhode Island, June 16, 2018
- Presentation on Complex Regional Pain Syndrome at the American Association of Justice, 2017 Annual Convention, Boston, MA. July 2017
- Managing Complex pain conditions at the Physicians Learning conference at 'Integrative Healthcare Strategies for patients with chronic pain and Multisystemic chronic Illness, June 10 and June 11, 2017
- Keynote speaker 'Complex chronic pain in adults and children' (Komplexe chronische Schmerzen bei Kindern und Erwachsenen) at the Ehlers-Danlos Syndrome (EDS), Joint hypermobility (JHS) and Complex Regional Pain Syndrome (CRPS) conference. Universitasklinikum Frankfurt, Theodor-Stern-Kai 7, Frankfurt Main, Germany. 27 March 2017
- Updates in management of pain in Ehlers Danlos Syndrome ("Prise en charge medicamentuse de la douleur dans le SED, Colloque international Syndroem d'Ehlers-Danlos, 3e^{me} Edition, Univsite Paris Descartes, Paris France. 25 March 2017..
- Brainstorming meeting of international experts on treatments for Ehlers Danlos Syndrome at Universite Rene Descartes, Paris with de Groupe d'e'tudes et de recherches sur le syndrome d'Ehlers-Danlos (GERSED) et le soutien de la Foundatin ELLAsante, Troisie^{me} colloque international Ehlers-Danlos. Paris, France. 24 March 2017

- Chronic Diagnosis and Management of Common Pain Conditions in Children. 2016. Grand Rounds. Miller Children's and Women's Hospital, Long Beach, CA.
- Chronic Pain Conditions and Management. 2016. Connecting the dots between Ehlers Danlos syndrome (EDS), Postural Orthostatic Tachycardia Syndrome (POTS) , Chronic pain and Mast Cell Activation Disorder. CHOC Children's Hospital, Orange County, CA.
- Chronic Pain Conditions and Management in Children. December 2016. Children and Adolescents with Medical Complexity. Meeting on Connective Tissue disorders, chronic pain syndromes, Postural Orthostatic Tachycardia Syndrome (POTS) and Dysautonomia and Mast Cell Activation Syndrome. CHOC Children's Hospital, Orange County, CA.
- Update on treatment and management of Complex Regional Pain Syndrome (CRPS). February, 2016. CRPS / RSD educational conference, Long Beach, California.
- Pain in Ehlers Danlos Syndrome. 2nd Ehlers-Danlos Syndrome French Conference, March 2016. Faculté de Médecine, Université Paris-Est Créteil
- Mechanism of action of Low Dose Naltrexone (LDN). The LDN 2016 AIIC Conference, International conference on Auto-immune and Immuno-modulated conditions. February 2016.
- Chronic pain and LDN. The LDN 2016 AIIC Conference, International conference on Auto-immune and Immuno-modulated conditions. February 2016.
- Management of chronic pain with LDN. The LDN 2016 AIIC Conference, International conference on Auto-immune and Immuno-modulated conditions. February 2016.
- Connecting the dots in Pediatric Complex pain Children's Hospital of Orange County, California. September 2015.
- Grand Rounds, Pediatric Complex Regional Pain Syndrome, Ehlers Danlos Syndrome, Children's Hospital of Orange County, California. September 2015.

- Pain Management in Ehlers Danlos Syndrome, EDNF learning conference, Baltimore, MD. August 2015
- Update on Complex Regional Pain Syndrome, RSDSA, Denver, CO. June 2015
- Chronic pain in Ehlers Danlos Syndrome, Dysautonomia International, Washington DC, July 2014
- Complex Regional Pain Syndrome in Children, Dysautonomia International, Washington DC, July 2014
- Keynote speaker Complex Regional Pain Syndrome updates and treatments, RSDSA, Lafayette, LA, January 2014
- Keynote speaker Complex Regional Pain Syndrome updates and treatments, RSDSA, San Francisco, CA, June 2013
- Keynote speaker Complex Regional Pain Syndrome updates and treatments, RSDSA, Fort Lauderdale, FL, September 2013
- Managing pain in Ehlers Danlos Syndrome, Ehlers Danlos National Foundation, RI, August 2013
- Managing pain in Dysautonomia, Dysautonomia International, Washington DC, September 2103
- Anaesthesia for Dysautonomia, Dysautonomia International, Washington DC, September 2103
- Keynote speech ‘Managing Arthritis Pain in the 21st Century’/ Arthritis Expo organized by the Arthritis Foundation. October 2012
- The Thirteenth Annual New England Workers’ Compensation Educational Conference sponsored by The International Workers’ Compensation Foundation and The Rhode Island Workers’ Compensation Court – Invited Speaker on ‘Alternative Pain Management’. September 30, 2010.
- ‘Management options for Chronic Pain’ Keynote speaker for American Pain Foundation. Miriam Hospital. August 2010
- ‘Options for treatment of Chronic Pain’ Keynote speaker for American Pain Foundation, Miriam Hospital, September 2010
- ‘Update in Pain Management 2010’ Grand Round presentation on behalf of the France Foundation at Roger Williams Medical Center, RI. May 2010.
- ‘Managing Chronic Pain’ Presentation for the American Pain Foundation, September 2009
- Boston University Medical Centre – Lecture on ‘Theory of Dynamic Decision making and Crisis Management in Critical care Medicine’.

March 24, 2003. Attended by Internal Medicine Residents, Attendings and Pain Medicine Specialists

- Boston University Medical Centre – Lecture on Low Back pain. February 28, 2003. Attended by Internal Medicine Residents, Attendings and Pain Medicine Specialists.
- The Ninth Annual New England Workers' Compensation Educational Conference on November 2, 2006, sponsored by The International Workers' Compensation Foundation and The Rhode Island Workers' Compensation Court – Invited Speaker on 'Understanding Spinal Pain'. Attended by Judges, Attorney's Case Managers, Adjusters, Physicians.

Professional Organizations

- International Spinal Injection Society – elected member
- President of American Society for Interventional Pain Physicians, Rhode Island Division
- American Society of Anesthesiology
- International Anesthesia Research Society
